**ACCREDITATION COMMISSION ACTION**

**Public Disclosure Statement Regarding the Change of Status**
**for**
**Epic Bible College and Graduate School**
**Sacramento, CA**
**Continued Under ACCREDITED – PROBATION Status**
**Issued by the Accreditation Commission on November 23, 2026**

**Epic Bible College and Graduate School:** The following information is provided by the Transnational Association of Christian Colleges and Schools (TRACS) regarding the current status of Epic Bible College and Graduate School (EBCGS). The information presented is made available in accordance with TRACS policy. Neither the TRACS Accreditation Commission nor the staff of TRACS will make further comment regarding this institution.

**What action has the TRACS Accreditation Commission taken against Epic Bible College and Graduate School?** On April 28, 2026, the Accreditation Commission voted to place EBCGS on Probation. On October 27, 2026, the Accreditation Commission voted to continue EBCGS on Probation. This status will be reviewed by the Accreditation Commission at the April 2027 Commission meeting.

**What is the accreditation status of Epic Bible College and Graduate School?** The institution will maintain the current *Accredited – Probation* status until the April 2027 meeting of the Accreditation Commission.

**What will happen at the next meeting?** At the April 2027 meeting, the TRACS Accreditation Commission has the following options:

If the institution demonstrates compliance with the Accreditation Standards, TRACS policies and procedures or any applicable Federal Regulations within the timeframe allowed, the Accreditation Commission will remove the institution from Probation.

If the institution has not corrected its deficiencies and demonstrated compliance with the issues in question within the timeframe allowed, the Accreditation Commission will either:

- Continue the institution on Probation;
- Place the institution under a more severe Sanction (Show Cause) as deemed appropriate, with the total time allowed for demonstrating compliance not to exceed the maximum timeframe allowed; or
- Take Adverse Action against the institution.

**Why was the accreditation of Epic Bible College and Graduate School changed to *Accredited - Probation*?** This action of the Accreditation Commission was based on the determination that the institution's non-compliance with the Accreditation Standards, TRACS policies and procedures or any applicable Federal Regulations is significant and / or concerns one or more of the Accreditation Standards associated with an Institutional Eligibility Requirement, and rises to the level where the institution's ability to fulfill its mission or to provide a quality educational experience consistent with that associated with an accredited post-secondary institution is in question.

This determination reflects a level of non-compliance which must be corrected by the institution and requires the imposition of a Sanction by the Accreditation Commission. It is a level of non-compliance which, in the professional judgment of the members of the Accreditation Commission, the institution must correct immediately and which the institution has, or can reasonably obtain, the resources needed to correct.

Specifically, the Commission found that EBCGS could not demonstrate compliance with TRACS Standards 11.1 and 11.2 (Institutional Eligibility Requirements). The institution is required to submit a follow up Compliance Report addressing these areas of non-compliance no later than March 1, 2027, for consideration by the Accreditation Commission at the April 2027 Commission meeting. EBCGS must demonstrate full compliance by March 1, 2028, or face potential further action by the Commission.
